Pyrolysis 2012

We cordially invite you to participate in the 19th International Symposium on Analytical and Applied Pyrolysis to be held in the representation rooms of the Johannes Kepler University Linz, Austria. The conference will cover the latest results in all areas of pyrolysis and thermal processes and will attract Academia and industrial researchers likewise.

Topics

1. Analytical pyrolysis (biomass, polymers, cultural heritage, ...)
2. Applied pyrolysis (biomass, waste, bio-oil, biochar, ...)
3. Catalysis in pyrolysis
4. Pyrolysis kinetics and mechanisms
5. Reactive pyrolysis (methylation, hydrogenation, ...)
